How Wall Street Rips You Off - and what you can do to defend yourself is a "one-stop source" of information and defenses for many different groups and individual investors. The various sections of this book will walk readers through obstacles faced by the average investor in dealing with Wall Street. The authors explore the many ways in which Wall Street rips off investors and provide readers with the knowledge, tools and strategies that can be employed as defenses against becoming a Wall Street victim. Readers will learn of the many steps investors can take to defend themselves against the aggressive onslaught of Wall Street profiteers.
